Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Dear Sir:

A divisional of the above-cited pending patent application is attached hereto. The specification, drawings, declaration, and Application Data Sheet from the parent application (Appl. #10/133, 952) are attached, as are a utility patent application transmittal, a fee transmittal, a check for the filing fee of \$375, and a return postcard.

Claims 1-16 and 20 from the parent application have been renumbered as Claims 21-37 in this divisional application. Aside from renumbering them, the claims have not been amended and no new matter has been added. The original claims from the parent application are also attached (for reference). Claims 17-19 from the parent application have been allowed.
